K V Abdul Malik
Managing Director

**PRE BID queries for EOI for Empaneling Architectural/Engineering
Consulting firms conducted on 13/09/2023**

File No:6526/P1/2023/KSFDC

Dated: 14.09.2023

SI No	Firms	Queries	Reply
1	SPACE INTIMATE ARCHITECTURAL STUDIO Email:-ar.resmidas@gmail.com	Is there any tender fee for the EOI.	The tender fee will be applicable once the limited tender is floated with the selected firms through EOI.
2		Is the final submission is only through the hardcopy submission.	The EOI final submission is to be submitted in hardcopy. During limited tender, the submission will be made through the E tender portal
3		Sir as the scope mentioned in the EOI is so wide what will be the maximum expected percentage to be quoted for architecture consultancy. My doubt is when we quote is it only for architectural consultancy and coordination or for the all allied services like structural, fire, MEP ,acoustic, lighting, STP etc...	The rate shall be for a consolidated consultancy and KSFDC does not envisage engaging a separate consultant for any work.
4	MUDBRICKS Architecture, Interiors, Conservation, Manakkalapati. Irinjalakuda, Thrissur.680123, Ph:+91 7012335176. Email:contact@mudbricks.in ,office@mudbricks.in	As per the Clause no.8 of Invitation of EIO it is stated that, 'The Applicant shall have received a minimum income of INR. 1.00 Crores per annum from professional fees during each of the 3 (three) financial years preceding the Proposal Due Date'. If we have achieved a turnover of Rs. 1 crore in one year and amounts less than Rs. 1 crore in the other two consecutive years, will we be eligible for empanelment? Please let us know your valuable instructions on the same.	KSFDC considered the request in the context of COVID during which lot of infrastructure projects where on hold. Considering the request from the firms it was decided <ul style="list-style-type: none"> • The period for which evaluation would be done will be 5 financial years prior to proposal due date. • Criteria for evaluation will be the value of the completed consultancy assignments per year and they shall qualify for at least 3 years out of the mentioned period of 5 years. • The income Criteria shall be omitted
5	C - EARTH Centre for Environment, Architecture and Human settlements (P) Ltd. House No: 23/1295 A Villa No: B 6, Golden Enclave Colony	Page 6 5.Empanelment Categories The scope of project types and the specific areas encompassed by each category are currently unclear	This was clearly mentioned in the EOI documents and Firm was convinced.
6	Chevayur 17, ph +91 9447151051, 04953500244	Page 15 8. Eligibility of Applicants Financial Capacity:	Same as that of point 4

	email:cearthcalicut@gmail.com	According to the financial data provided in the report, our minimum annual turnover over the past five years has been 80 lakhs. However, due to the exceptional circumstances brought about by COVID-19, we were unable to meet our usual targets. Is it possible to request a special exemption?	
7		Page 9 7.3 Minimum Qualifying Criteria Regarding the work experience detailed on page 9, clause 7.3, we have a track record of successfully completing tourism and public realm projects in previous years, and the costs associated with these projects align with the specified cost conditions outlined in the EOI. Is there a requirement for specific experience related to similar projects?	This shall be followed as per document inviting EOI
		In regards to pre-bid meeting held on 13th September with our team online we are hereby attaching the queries regarding the financial capacity. For us the total consolidated turnover for the last five financial years, from FY 2018-19 to FY2022-23, amounted to Rs. 27,998,154/- .Thus we are unable to meet the usual target since covid-19. In line to that we are requesting to consider the eligibility as 2.5 crores turnover in the last 5 years. Is it possible to request a special exemption?	Same as that of point 4
8.	HITES , Trivandrum	Should the firms quote for all the 5 categories .	Not required. Firms can quote for the area of interest and where they have relevant experience
9		Should the consortium agreement mentioning the consultants be presented at the time of submitted the EOI	Yes
10	Kumar Group Total Designers Kent Glass House Kaniyampuzha Road Vytila.Kochi-682019	As per the Council of Architecture rules, architects are not permitted to provide concept design, work plans, or methodologies without compensation, especially when these details are intended for a specific project. In the interest of maintaining professional standards and adhering to industry guidelines, we kindly request that the KSFDC consider compensating architectural firms for the preparation of concept designs, work plans, and methodologies required for the	No change currently envisaged and clause 6. General Scope of services holds good.

		<p>empanelment process. This aligns with fair industry practices and ensures that all participants are treated equitably. Should the KSFDC be willing to provide compensation for these services, we would be more than willing to participate in the empanelment process and provide the requested documents. This approach not only upholds industry standards but also enables us to fully engage in your projects with the dedication they deserve.</p>

3. Introduction

Kerala State Film Development Corporation (the “Authority”) is the implementing agency/Special Purpose Vehicle for implementation of projects undertaken by Department of Cultural Affairs with the funding from Govt or other agencies.

KSFDC invites Expression of Interest for empanelment of qualified Architectural/ Engineering firms for different categories based on project cost and for empanelment based on technical qualification and experience. KSFDC will empanel architects for each category based on evaluation criteria mentioned in the EoI document.

4. Objective

The broad objective of the empanelment is to avail the services of qualified, experienced and competent Architectural/Engineering, Structural Design Consultancy, Theatre Consultancy firms, MEP Consultancy firms, AV & Acoustic Consultants for the projects being taken up by KSFDC. The aim is to have a list of Empanelled Architectural/ Engineering firms for consultancy for different categories of works. KSFDC will scrutinize the design and plans of various development activities. This EoI document is for short listing suitable qualified Architectural/ Engineering firms and empanel them for **5 Years** to avail the services of architecture, interior designing, structural design, MEP designing, estimates, landscape, theatre and AV & Acoustic designs for the projects being taken up by KSFDC.

5. Empanelment Categories

Category A	Cultural Complexes
Category B	Theatre Complexes
Category C	Film Pre/Post Production Studio
Category D	Theatre renovation
Category E	Office renovation/Interiors

6. General Scope of Works

The scope of work for Architectural/Engineering consultancy firms included architectural design, structural design, MEP designs, Theatre and AV & Acoustic designs, landscape designs, Interior detailing, detailed estimates and preparation of Detailed Project Report as prescribed by the funding agency for different projects. Architectural/ Engineering Firm shall be the lead consultant and all other firms shall be in-house or hired through partnership/joint ventures. Once finalised the consultants listed in the EOI shall not be changed.

On completion of Empanelment for the above categories, based on the requirement of comprehensive services for each category, a project brief shall be issued to the empanelled firms. Then limited tender shall be floated amongst the empanelled group of firms for the requirement of comprehensive services against each category. Through the online limited tender, empanelled firms shall participate for the technical presentation and financial proposal. The selected applicant shall be awarded the contracts for the consultancy services.

The empanelled firms will have to make a presentation explaining the details of their profile, and also the understanding of the concept, the work plan & methodology to be employed and concept ideas of proposed projects in the presentation. The presentation will have to be made before the selection committee who will evaluate the presentation along with the financial proposal and award based on the evaluation criteria. A minimum of **15 days' time** will be allowed for making the presentation.

7. Terms of Reference

7.1 The Scope of Work

- I. The empanelled Architectural/ Engineering firms and associated consultants should understand the significance of the project, its unique challenges and opportunities and ensure the benchmark design and performance standards.

--------	----------	------------------------	--------------------------------------	---------------	--------------------

	AV Acoustics Consultant	Sr Consultant (1 nos)	10	Btech/Mtech in Electronics Engineering	shall have expertise in Design, planning and Execution of AV & Acoustics aspects of Multiplexes, Auditorium Film Studios etc Shall have expertise in building rules, Relevant codes of practice, Standard practices, Green building norms etc
--	-------------------------	-----------------------	----	--	--

8. Eligibility of Applicants

Financial Capacity: The applicant shall submit completed consultancy assignments per year and they shall qualify for at least 3 years out of the mentioned period of 5 years (shall submit the valid completion certificates from the clients)

9. Technical Proposal

While preparing the Technical Proposal, the applicants are expected to examine the documents comprising this tender in detail. Material deficiencies in providing the information requested may result in rejection of a Proposal.

The Technical Proposal shall provide the following information:

- I. Cover Letter for Technical Proposal (Annexure-I)
- II. Applicants Profile (Annexure-II)
- III. Project Experience Details (Annexure-III)
- IV. Team Composition (Annexure-IV)

10. Evaluation Criteria

KSFDC will select the consultant utilizing a Quality Based Selection (QBS) process. Critical factors in this selection will include responsiveness of the proposal to this Request for Proposal (RFP); description of approach to the services, relevant project experience, qualifications of the responding firms and principal assigned staff; readiness to undertake the required services; ability to execute an acceptable written contract; and client references. The KSFDC reserves the right to reject any or all proposals, and to request written clarification of proposals and supporting materials. The Authority reserves the right to accept the proposal most favourable to the project after all proposals have been examined and evaluated.

Interviews may be conducted as event interview with one or more responsible entities that have submitted proposals.
