

SCRIPTWRITING WORKSHOP

FROM ONE PAGE TO TREATMENT

The following is the Plan for a Scriptwriting Workshop to help participants/writers develop their One Page Outlines into a Ten Page Treatment. The dates written in the Plan are subject to change.

MODULE	DATES	ACTIVITY	MODE	RESULT
1	JUN 1-3	Introduction to Workshop & mentors: Introductory Lectures by each mentor. Division of Participants into groups for sessions with individual mentors.	Online Lectures	Mentors & Students get to know each other, the necessary theoretical knowledge is given to participants.
2	JUN 4-13	Mentorship Sessions: On-demand, as per the requirements of each individual student. The format will be for students to ask for sessions with Mentors, timed as per the convenience of both. There is no limit on how many sessions each student can ask for, it is entirely up to them.	Online Mentorship Sessions: one on one, one mentor and one student per session of up to one hour each.	Students will be expected to write their backgrounders and then move to the Outlining of the story.
3	JUN 14-18	Assessment Sessions: Each student gets 30 minutes to present their story and ideas to the mentors.	In person sessions of each student with all the Mentors.	The Mentors will shortlist the students and their stories in an order of merit, based on the different categories, the strength & originality of their ideas and the student's ability to develop the idea further.

The Mentors for the Sessions will be Amit Tyagi, Priya Krishnaswamy and Atul Taishete. Amit Tyagi will be the coordinator for the Workshop.
