Sir,

Most of the producers of Malayalam movies are utilizing the shooting locations which was under the control of Government of Kerala / related agencies. During the cinema shooting they are facing some difficulties due to the middleman involved in locations for various purposes. To overcome such difficulties a Single Window Clearance mechanism (SWC) is presently working in Kerala State Film Development Corporation Ltd (KSFDC) (G.O.(Rt.)No.73/2016/CAD dt.20/2/2016). To strengthen this SWC mechanism it is requested that necessary instructions be issued to the Police Heads in each districts to facilitate shooting in different locations in the state in case of any request.

This may kindly be treated as extremely urgent and a circular issued.

Yours faithfully,

(Lenin Rajendran)
