Website content

Redesigning and implementation of KSFDC Website.

The existing KSFDC website was created two decades back and lacks many of the features that contemporary websites should necessarily possess. KSFDC is now in the process of modernizing its studio facilities, constructing more cinema halls and is preparing to venture into new domains like producing films and creating own streaming platform. The redesigned KSFDC website should reflect these developments and help in creating a new identity design for the organization.

Expression of Interest is invited from competent individuals or reputed organizations for the redesign and implementation of KSFDC website observing Government of India Guidelines in this regard. The infrastructure, details of units, activities etc of KSFDC may be assessed by those submitting the EOI before submitting the proposal. They shall be amenable for techno-commercial discussions. Interested parties should submit a EOI on or before 08.03.2021 to the Managing Director KSFDC, Chalachitra Kalabhavan, Vazhuthacaud, Thiruvananthapuram - 695 014. The Managing Director KSFDC reserves the right to accept or reject any or all EOI without assigning any reason thereof.
